Experience

Camilla Lee is an associate in the Washington, DC Office of McKenna Long & Aldridge. She is a member of the Litigation Team, focusing her practice on product liability and toxic torts. Camilla has experience with all aspects of litigation including arguing motions, conducting and defending depositions, preparing various pleadings and motion papers, and coordinating multi-phase document productions. In addition, Camilla second-chaired a \$3 million wrongful death product liability jury trial that resulted in a favorable verdict for her client.

Camilla received her J.D. from American University, Washington College of Law. While in law school, Camilla served as a Note and Comment Editor on the *International Law Review*, and as a Dean's Fellow in the Legal Methods Program. She earned her B.A. in Government from the University of Virginia.
